Tokata Interactive Career Fair

Dear Corporate Partner,

Thank you for your interest in our Premiere Interactive Career Fair being held on April 26, 2026 at the Mâdawêyatitân Centre in Regina. We are proud to host this event to secondary and post-secondary students, career-ready professionals and the general community. As part of our FHQ Developments values, this career fair welcomes all!

Tokata HR Solutions is our Indigenous Recruitment Division with a mission to recruit, train and coach Indigenous Talent for in-demand industries. Our new, long-term Indigenous HR Strategy launched in May, 2022 and we have had many successes to date. We must be leaders for our youth and career-ready professionals. We must teach individuals about the types of positions and career opportunities available and build talent if it is not here today.

The best way to bring career awareness is to showcase your organization in an interactive way. The team is working hard to make this event a huge success and we anticipate a large number of Indigenous participants. In addition to students, we will extend the career fair invitation to nearby First Nation communities.

I would encourage your organization to consider sponsoring this Indigenous career event. We have limited sponsorship opportunities that will be available on a first-come basis. A sponsorship gives your organization the highest level of visibility when we market this event, in addition to a speaking opportunity and company advertisement in career fair passports that will be handed out to all participants.

I look forward to your participation and support for such an important event!

Sincerely,

Thomas Benjoe

What is the Interactive Career Fair?

This event is an opportunity for employers to showcase your company, positions and industry in creative ways. We ask that employers provide a career fair booth where participants can interact with information or products to understand your business and careers. A career fair like this gives us a chance to spark interest in your field of work, ignite passion in finding an ideal career and highlight positions people may not know about ...yet!

What are the career fair details?

- The event is being held April 26, 2023 from 3:00 PM - 7:00 PM.
- We are hosting this event at the beautiful Mamaweyatitan Centre at 3355 6th Ave, Regina, SK.
- Employers are welcome to setup starting at 1:00 PM and there will be limited outdoor space.
- We will be providing a lunch during the event for all sponsors, employers and participants.
- We require all participants to sign a waiver form and will provide bracelets for those who have permission to participate in your activity.

Depending on your level of sponsorship, you will also have advertising space in our career passport that will be given to all participants.
